**FOOD SAFETY NET SERVICES ACHIEVES CERTIFICATION AS A  
BRITISH RETAIL CONSORTIUM (BRC) AUDITING BODY**

**SAN ANTONIO, TEXAS: Food Safety Net Services (FSNS)**, a network of food safety experts excelling in laboratory and technical services, has recently received approval through ISACert, an international auditing and certification organization, to be a certified **British Retail Consortium (BRC)** auditing body.

The BRC Global Standard for Food Safety, developed by retailers, was the first Standard in the world to be approved by the **Global Food Safety Initiative (GSFI)** benchmarking committee. The BRC Global Standards are used internationally among suppliers and retail organizations in order to standardize product quality and safety guidelines.

Contact FSNS for more information about BRC Audits:

**ABOUT FSNS:**

With laboratories in San Antonio, Dallas-Fort Worth, Phoenix, Green Bay and Atlanta, **Food Safety Net Services** offers an integrated network of services and industry expertise to improve the effectiveness of food safety and quality programs in a "one stop shopping" concept. At **Food Safety Net Services**, we tie together the vision of food safety by combining laboratory services with consulting and auditing services, educational and crisis management programs, and regulatory support. Our goal is to help you build and implement the most effective food safety and quality programs possible.
