

Implementation for the BRC Standard for Food Safety

The Global Standard for Food Safety, **Issue 6**, is published by the British Retail Consortium (BRC). Originally developed in the UK Retail Market, it has acquired world wide recognition as the framework for any business to produce a safe and quality product.

This two day training will provide you with the necessary knowledge and information to implement the BRC Global Food Safety Standard, Issue 6, in your facility.

BRC Internal Auditor Course

A comprehensive audit system is fundamental to a company's food safety and product quality. It provides confirmation that systems and procedures are operating effectively. The audit identifies areas that require improvement. The BRC Internal Auditor Course will teach you how to conduct internal audits in your facility against BRC Global Standard for Food Safety.
